WRITTLE

Dear Mr

### WEB SITE

My Council wish to congratulate you on the Writtle Village Web Site which we understand you have produced. It is clearly very well presented and an asset to the village.

We are in the process of setting up a Parish Council site and ideally when we have done so it would be, we think, a good idea to establish a link to your Village site.

May we suggest a short meeting to discuss this and also publication in the Writtle News of the information about both sites.

Yours sincerely

David J Woodyard  
Clerk
